5 **Preface: Proceedings of the XVIth International Conference on Ephemeroptera and XXth International Symposium on Plecoptera**

R. EDWARD DEWALT & STEVEN BURIAN

8 **Boris Carl Kondratieff, a Lifetime of Scholarship and Service to Aquatic Entomology**

R. EDWARD DEWALT

Contributed papers

Biology, Behavior, Reproduction

22 **Stonefly drumming behavior descriptions of three *Soliperla* Ricker, 1952 species (Plecoptera: Peltoperlidae)**

JOHN B. SANDBERG

44 **Description of Adults of *Acentrella nadineae* McCafferty, Waltz & Webb, 2009 (Baetidae: Ephemeroptera) with notes on rearing and madicolous behavior of nymphs**

STEVEN K. BURIAN

Biogeography Distribution, Faunistics

57 **Factors structuring patterns of Ephemeroptera (mayflies) species assemblages in different segments of the Western Ghats of peninsular India—a snapshot**

K. G. SIVARAMAKRISHNAN, C. SELVAKUMAR, M. VASANTH & K. A. SUBRAMANIAN

70 **Mayfly Larvae (Ephemeroptera) in Thailand: Diversity and Science Communication**

BOONSATIEN BOONSOONG

82 **Ecology and phenology of stoneflies (Plecoptera) in the northern slopes of the Central Caucasus in winter and spring seasons**

SUSANNA K. CHERCHESOVA, MAKSIM I. SHAPOVALOV, VITALY I. MAMAEV & DMITRY M. PALATOV

94 **Mayflies (Insecta: Ephemeroptera) of the Indian Himalaya and future challenges**

M. VASANTH, K. A. SUBRAMANIAN, C. SELVAKUMAR & T. KUBENDRAN

Ecology, Biomonitoring, Conservation

- 102 **Water temperature and the growth of *Ameletus inopinatus* (Ephemeroptera: Ameletidae) in the Cairngorms, Scotland**
CRAIG R. MACADAM, LOUIS KITCHEN & W. E. YEOMANS
- 107 **Using distribution models to identify range shifts of four *Acroneuria* Pictet, 1841 (Plecoptera: Perlidae) species in the Midwest USA**
PHILLIP N. HOGAN & R. EDWARD DEWALT
- 118 **Inter-annual and habitat variation of the mayfly assemblage in grassland and pine afforested headwater streams (Córdoba, Central Argentina)**
VICTORIA MONTILLA, JAVIER ANDRÉS MÁRQUEZ & ROMINA ELIZABETH PRINCIPE
- 125 **Riparian forests as dispersal corridors for adult European mayflies, stoneflies and caddisflies (EPTs)**
ANDRÉS PEREDO ARCE, JOCHEM KAIL & MARTIN SCHLETTERER

Phylogeny, Systematics, Taxonomy

- 137 **Systematics and updated range alter the conservation status of the Louisiana Needlefly, *Leuctra szczytkoi* Stark & Stewart, 1981 (Plecoptera: Leuctridae)**
SCOTT A. GRUBBS, R. EDWARD DEWALT, LILY V. HART & MADISON R. LAYER
- 149 ***Baetis venkataramani* sp. nov., a new species of the genus *Baetis* Leach, 1815 (Ephemeroptera: Baetidae) from Tamil Nadu, India**
T. SIVARUBAN, PANDIARAJAN SRINIVASAN, S. BARATHY & RAJASEKARAN ISACK
- 155 **Contribution to the *Protonemura* Kempny, 1898 (Plecoptera: Nemouridae) of the Caucasus**
DÁVID MURÁNYI, PETER MANKO, TIBOR KOVÁCS, GILLES VINÇON & MATEJ ŽIAK
- 199 **A review of Asian mayfly species of *Habrophlebiodes* (Ephemeroptera: Leptophlebiidae)**
XUHONGYI ZHENG, DE-WUN GONG & CHANG-FA ZHOU
