

Proceedings of the 1st International Workshop on Symbiotic Copepoda

DANNY TANG & JULIANNE KALMAN PASSARELLI (Eds)

Table of contents

- 5 **Preface: Proceedings of the 1st International Workshop on Symbiotic Copepoda**
DANNY TANG & JULIANNE KALMAN PASSARELLI
- 7 **Description of the male of *Prosaetes rhinodontis* (Wright, 1876) (Crustacea, Copepoda, Siphonostomatoida), with a proposal to synonymize Cecropidae Dana, 1849 and Amaterasidae Izawa, 2008 with Pandaridae Milne Edwards, 1840**
DANNY TANG, GEORGE W. BENZ & KAZUYA NAGASAWA
- 20 **Bomolochid copepods (Crustacea: Copepoda: Bomolochidae) parasitizing immigrant and native barracuda (Actinopterygii: Sphyraenidae) caught off the Egyptian Mediterranean coast**
HODA H. EL-RASHIDY & GEOFFREY A. BOXSHALL
- 29 ***Asterocheres siphunculus*, a new species of Asterocheridae (Copepoda, Siphonostomatoida) associated with *Eucidaris tribuloides* (Lamarck, 1816) (Echinodermata, Echinoidea) in Brazil**
CRISTIANO BAHIA, ROBERTA CANÁRIO, ELIZABETH G. NEVES & RODRIGO JOHNSSON
- 39 ***Ttetaloia hoshinoi*, a new genus and species of chondracanthid copepod (Poecilostomatoida) parasitic on triplefins (Actinopterygii: Tripterygiidae) from Japanese waters**
DAISUKE UYENO & KAZUYA NAGASAWA
- 49 ***Spongiopsyllus redactus*, a new species of Entomolepididae (Copepoda, Siphonostomatoida) associated with a scleractinian coral in Brazil**
ROBERTA CANÁRIO, ELIZABETH G. NEVES & RODRIGO JOHNSSON
- 56 **Redescription of *Peniculus minuticaudae* Shiino, 1956 (Copepoda: Pennellidae) from aquarium-held marine fishes in Japan, with notes on its occurrence and life cycle in captivity**
HIROKO OKAWACHI, DAISUKE UYENO, KOTARO OGINO & KAZUYA NAGASAWA
- 69 **Siphonostomatoid copepods (Crustacea) associated with marine invertebrates and algae in Brazil: a review and future considerations**
RODRIGO JOHNSSON & ELIZABETH NEVES
- 81 **Utilization of alien freshwater fishes by the parasitic copepod *Neoergasilus japonicus* (Ergasilidae) on Okinawa-jima Island, Japan, with a list of its known hosts**
KAZUYA NAGASAWA & DAISUKE UYENO

- 97 **Co-occurrence of the parasitic copepods *Acantholochus zairae* Morales-Serna & Gómez, 2010 (Poecilostomatoida: Bomolochidae) and *Pseudochondracanthus diceraus* C. B. Wilson, 1908 (Poecilostomatoida: Chondracanthidae) on the gills of *Sphoeroides annulatus* (Jenyns) (Pisces: Tetraodontidae)**
F. NEPTALÍ MORALES-SERNA & SAMUEL GÓMEZ
- 106 **Variations in the infection level of *Neoergasilus japonicus* (Copepoda: Ergasilidae) between freshwater fishes at different sites in the Ashida River system, western Japan**
KAZUYA NAGASAWA & AKIKO INOUE
