

Reid, C.A.M. & Beatson, M. (2010) Revision of the Australo-Papuan genus *Macrolema* Baly (Coleoptera: Chrysomelidae: Spilopyrinae), with description of a new genus. *Zootaxa*, 2486, 1-60.

The authors regret that the wrong plates of head capsule photographs (Figures 18–31) were submitted by them and published for this work. Numbers and labels are correct for Figures 18–22. But Figure 23 is *M. karimui* not *M. giya*, which was inadvertently omitted, and all subsequent figures from 24–30 are out of sequence by one. Figure 30 is therefore *M. vittata*, not *M. ventralis*. Figure 31 is the pale form of *M. vittata*. This error also means that figure numbers 23–31 cited in the text do not match the published illustrations. All other figures are correctly numbered and captioned.

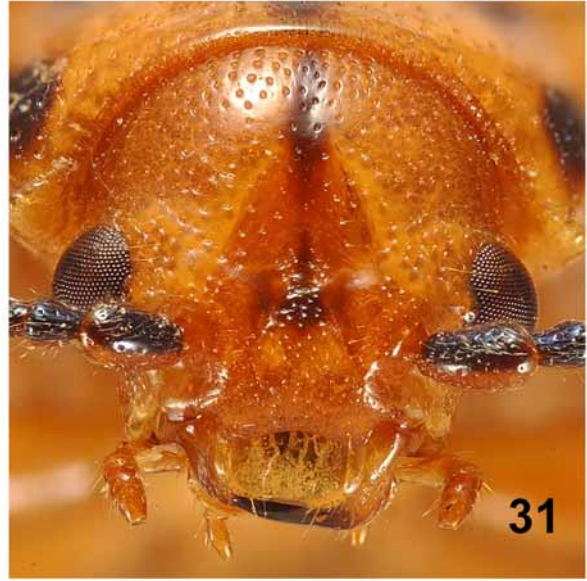

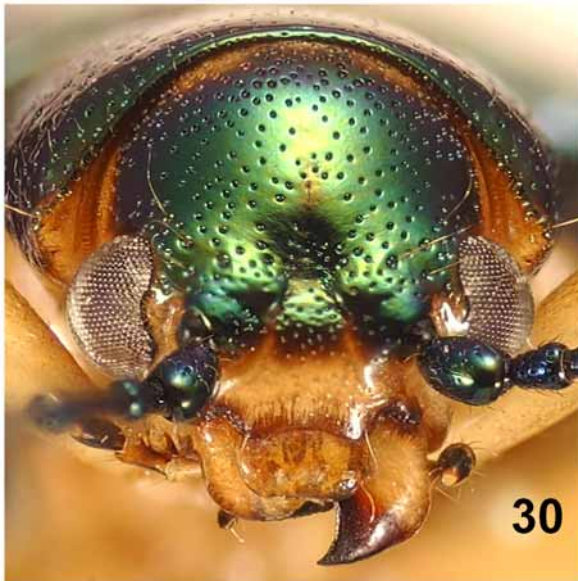

The correct figures and captions are supplied here:

FIGURES 18–23. Face: 18, *Allsortsia maculata* (Lea); 19, *Macrolema aenescens* (Bowditch); 20, *M. albascutica* Reid & Beatson; 21, *M. atripennis* (Bowditch); 22, *M. dickdaviesi* Reid & Beatson; 23, *M. giya* Reid & Beatson.

FIGURES 24–29. Face of *Macrolema* species: 24, *M. karimui* Reid & Beatson; 25, *M. longicornis* Jacoby; 26, *M. metallica* (Lea); 27, *M. pulchra* Reid & Beatson; 28, *M. quadrivittata* (Jacoby); 29, *M. submetallica* (Jacoby).

FIGURES 30-31. Face of *Macrolema* species: 30, *M. ventralis* (Lea); 31, *M. vittata* Baly.

The correct figure captions for the original photographs of the head in *Zootaxa* 2486 are:

FIGURES 18–31. Face: 18, *Allsortsia maculata* (Lea); 19, *Macrolema aenescens* (Bowditch); 20, *M. albascutica* Reid & Beatson; 21, *M. atripennis* (Bowditch); 22, *M. dickdaviesi* Reid & Beatson; 23, *M. karimui* Reid & Beatson; 24, *M. longicornis* Jacoby; 25, *M. metallica* (Lea); 26, *M. pulchra* Reid & Beatson; 27, *M. quadrivittata* (Jacoby); 28, *M. submetallica* (Jacoby); 29, *M. ventralis* (Lea); 30, *M. vittata* Baly, striped form; 31, *M. vittata* Baly, pale form.
