

Anker, A. (2012) “Revision of the western Atlantic members of the *Alpheus armillatus* H. Milne Edwards, 1837 species complex (Decapoda, Alpheidae), with description of seven new species”. *Zootaxa*, 3386, 1–109.

- 1) On page 88, add photographic credits to the legend of Figure 62.
Photographs: a, by F. Fasquel; b, by the author; c, by Todd Zimmerman.
- 2) On page 92, in the legend of Figure 65, add letter “L” for *A. viridari*, as follows:
K, *A. nuno* **sp. nov.**; L, *A. viridari* (Armstrong, 1949).
- 3) On page 18 (remarks under *A. armillatus*), page 34 (distribution of *A. angulosus*), and page 81 (remarks under *A. brasileiro*), read Fernando de Noronha (instead of "Fernando do Noronha").
