YUNG-CHIEH CHIU, KWANG-TSAO SHAO, SHIH-PIN HUANG & HONG-MING CHEN (2018)
The freshwater snake eel genus *Lamnostoma* (Anguilliformes: Ophichthidae) in Taiwan, with description of a new species. *Zootaxa*, 4454: 018–032.

1) On page 20, in the reference list of species *Lamnostoma mindora* (Jordan & Richardson, 1908), “McCosker, 2014: 339” should be removed.

2) On page 24, the cephalic illustration of species *Lamnostoma polyophthalmum* (Bleeker, 1853) in FIGURE 4A should be substituted for the following picture:
