

Systematic acarology and palaeoacarology: a special volume in memory of Ekaterina Alekseevna Sidorchuk (1981–2019)

ZHI-QIANG ZHANG, TOBIAS PFINGSTL, ROY A. NORTON, SERGEI V. MIRONOV & OWEN D. SEEMAN (EDS)

- 006 **Preface to a special volume of acarological papers in memory of Ekaterina Alekseevna Sidorchuk (1981–2019)**
ZHI-QIANG ZHANG
- 014 **A new species of *Adamystis* (Acari: Trombidiformes: Adamystidae) from Iran**
SAHEBEH GHASEMI-MOGHADAM, ALI AHADIYAT, ALIREZA SABOORI & YAGHOUB FATHIPOUR
- 023 **The first record of caeculid mites from the Cretaceous amber of Myanmar with notes on the phylogeny of the family**
ANDRÉS O. PORTA, DANIEL N. PROUD, EZEQUIEL FRANCHI, WILLIAMS PORTO, MARÍA BERNARDA EPELE & PETER MICHALIK
- 044 **Active postlarval forms of plume-footed *Eatoniana* (Trombidiformes: Parasitengona, Erythraeidae) in the Eocene Baltic amber**
EKATERINA A. SIDORCHUK†, MARTA KONIKIEWICZ, W. CALVIN WELBOURN & JOANNA MAKOL
- 054 **The genus *Erythraeus* (Acari: Erythraeidae) from China with descriptions of two new species and a key to larval species of the genus worldwide**
SI-YUAN XU, TIAN-CI YI, JIAN-JUN GUO & DAO-CHAO JIN
- 083 ***Neoaulonastus sidorchukae*, a new species of quill mites (Acariformes: Syringophilidae) associated with the purple-rumped sunbird *Leptocoma zeylonica* (Linnaeus) (Passeriformes: Nectariniidae) from Sri Lanka**
MATEUSZ ZMUDZINSKI, MACIEJ SKORACKI & MARTIN HROMADA
- 088 **Emendations and updates to “Annotated catalogue of Stigmaeidae (Acari: Prostigmata), with a pictorial key to genera”**
QING-HAI FAN, CARLOS H.W. FLECHTMANN & GILBERTO JOSÉ DE MORAES
- 104 **A new genus and species of the family Microdispidae (Acari: Heterostigmata) associated with *Trinervitermes trinervoides* (Sjostedt) (Isoptera: Termitidae) from South Africa**
ALEXANDER A. KHAUSTOV, ELIZABETH A. HUGO-COETZEE, SERGEY G. ERMILOV & PIETER D. THERON
- 115 **A new species of *Podapolipus* (Acari: Heterostigmata: Podapolipidae) from an Australian gryllacridid cricket (Orthoptera), with keys to orthopteran-associated species of the genus**
EVERT E. LINDQUIST & EKATERINA A. SIDORCHUK†

- 134 **Two new species of Australian *Eutarsopolipus* (Acariformes: Podapolipidae) from *Nurus medius* (Coleoptera: Carabidae)**
OWEN D. SEEMAN
- 154 **Two new species of *Eutarsopolipus* (Acari: Prostigmata: Podapolipidae) parasitizing *Syntomus lateralis* (Coleoptera: Carabidae) from Iran**
HAMIDREZA HAJIQANBAR, ABDOLAZIM MORTAZAVI & ALEXANDR KHAUSTOV
- 168 **Revision of the genus *Athyreacarus* (Acari: Athyreacaridae)**
ALEXANDER A. KHAUSTOV & ANDREY V. FROLOV
- 226 ***Hoplophthiracarus sidorchukae* sp. nov. (Acari, Oribatida, Phthiracaridae) from the North Island, New Zealand**
DONG LIU & ZHI-QIANG ZHANG
- 231 **New *Notophthiracarus* species (Acarina, Oribatida, Phthiracaridae) and overview of the distribution of the genus in South Africa**
WOJCIECH NIEDBAŁA, ELIZABETH A. HUGO-COETZEE & SERGEY G. ERMILOV
- 241 ***Anderemaeus* (Acari, Oribatida)—overview, three new species from South America and reassessment of Anderemaeidae supported by ontogeny**
ROY A. NORTON & SERGEY G. ERMILOV
- 290 **The oribatid mite genus *Topalia* in Australia (Oribatida: Nosybeidae) and the taxonomic status of related families and genera**
MATTHEW J. COLLOFF
- 322 **The intertidal genus *Indopacifica* (Acari, Oribatida, Selenoribatidae): new species, juvenile morphology and distribution**
BETTINA RESCH, JULIA BAUMANN & TOBIAS PFINGSTL
- 336 **Two new species of Achipteriidae (Acari, Oribatida) from China**
GUORU REN, MAOFA YANG, WENQIN LIANG & QIANFEN ZHENG
- 348 ***Trichoribates sidorchukae* sp. nov. (Acari, Oribatida, Ceratozetidae) from tropical montane Ecuador, with revised generic diagnosis**
VALERIE M. BEHAN-PELLETIER & SERGEY G. ERMILOV
- 362 **A new species of Japanese oribatid mite, *Zachvatkinibates erimo* sp. nov., showing sexual dimorphism (Acariformes: Oribatida: Punctoribatidae)**
SATOSHI SHIMANO & JUN-ICHI AOKI
- 368 **Contribution to the knowledge of Galumnidae (Acari: Oribatida) in the Oriental region**
BADAMDORJ BAYARTOGTOKH & SATOSHI SHIMANO
- 378 **Supplementary descriptions of *Pergalumna amamiensis* Aoki, 1984 (Acariformes, Galumnoidea) from Ryukyu Islands**
WATARU HAGINO & SATOSHI SHIMANO
- 385 **Description of a new *Pergalumna* (Acari: Oribatida: Galumnidae) species from Mexico and its postembryonic development**
JAIR PÁEZ, FERNANDO VILLAGOMEZ & JOSÉ G. PALACIOS-VARGAS

- 407 **A new species and two newly recorded species of the subgenus *Pergalumna* (*Pergalumna*) (Acari, Oribatida, Galumnidae) from China**
QIANFEN ZHENG, WENQIN LIANG, GUORU REN & MAOFA YANG
- 424 **New species and new records of the subgenus *Galumnella* (*Galumnella*) (Acari: Oribatida: Galumnellidae) from China**
WENQIN LIANG, MAOFA YANG, GUORU REN & QIANFEN ZHENG
- 441 ***Naiadacarus sidorchukae* sp. n. (Acariformes: Acaridae) from Western Siberia closely related to a North American species, with a new generic synonymy**
PAVEL B. KLIMOV, BARRY O'CONNOR & ALEXANDER A. KHAUSTOV
- 457 **North Pacific versus North Atlantic: a case with species of the amphiboreal littoral mite genus *Thalassogamasus* gen. nov. (Parasitiformes, Mesostigmata, Parasitidae)**
OLGA L. MAKAROVA
- 486 **A new species of *Cosmolaelaps* Berlese (Acari: Laelapidae) from Ukraine**
OMID JOHARCHI & VIACHESLAV A. TRACH
- 495 **A new myrmecophilous mite species of the genus *Cosmolaelaps* Berlese, 1903 (Acari, Mesostigmata, Laelapidae) from Central Europe (Slovakia)**
PETER MAŠÁN & ESMAEIL BABAEIAN
