## **BRUCE OTT & HENRY M. REISWIG (2019) Re-description and Proposed eclassification of *Myxilla (Burtonanchora) lacunosa* Lambe, 1893. *Zootaxa*, 4686: 446–450.**

On page 447, Materials and Methods paragraph 1 should read:

*Material examined.* Lambe's holotype, voucher number CMNIC 1900-2877 and slides prepared by Lambe of his holotype of spicules and skeleton, courtesy of the Canadian Museum of Nature. Scanning electron micrographs produced by one of the authors (HMR) and additional spicules for dimensioning produced ancillary to SEM production.
