

SERAP MUTUN, SERDAR DINÇ & GEORGE MELIKA (2020) Two new species of oak gall wasps from Turkey (Hymenoptera: Cynipidae, Cynipini). *Zootaxa*, 4890: 428–438.

Figure 36 caption on page 436 now to read as:

FIGURE 36. Maximum clade credibility tree for cytochrome *b* sequences indicating the relationships of *Cynips izzetbaysali* **sp. nova** and *Callirhytis afion*, **sp. nova** to other Cynipini species. GenBank Accession number for each species used in the analysis is given with the species names. Two new species included in the analysis are coloured in red. Numbers above nodes indicate posterior probability support values.
