**RODRIGO ROUCOURT CEZÁRIO & RHAINER GUILLERMO-FERREIRA (2021) *Heteragrion gorbi* sp. nov. (Odonata: Heteragrionidae) from southeastern Brazil. *Zootaxa*, 4965: 078–086.**

The authors provided the incorrect date for the new species name. The scientific description of *Heteragrion gorbi* sp. nov., although written in 2020, was only published on 27 April 2021. Therefore, following the recommendations of the current *International Code of Zoological Nomenclature* (ICZN 1999), on p. 79 readers must consider *Heteragrion gorbi* sp. nov. Cezário & Guillermo-Ferreira, 2021, instead of *Heteragrion gorbi* sp. nov. Cezário & Guillermo-Ferreira, 2020.
