STEPHANY ARIZALA, FACUNDO MARTÍN LABARQUE & DANIELE POLOTOW (2021) Revision of the Neotropical spider genus *Acanthoctenus* (Araneae: Ctenidae: Acanthocteninae). *Zootaxa*, 4920: 001–055.

On page 5, the legend of Figure 4 is incorrect. The holotype deposited in UFMG 22307 was collected in Rio Tuichui, Parque Nacional Madidi, Franz Tamayo, La Paz, Bolivia and the photos were taken by Arthur Anker & Pedro H. Martins.

On page 13, Figure 10B, the distribution of *Acanthoctenus torotoro* Arizala, Labarque & Polotow, 2021 is incorrect. The correct figure is presented below.

Figure 10B. Distribution map of *Acanthoctenus* species, north of South America.

On Page 37, the citation of Lehtinen 1967, figure 420 is incorrect and should be removed. The figure shows the male of *Acanthocenus spiniger* Keyserling, 1877.

On page 50, the collection data of the type material of *Acanthoctenus torotoro* Arizala, Labarque & Polotow, 2021 is incorrect. The male holotype was collected in Rio Tuichui, Parque Nacional Madidi, 14°14'40.3"S, 68°21'35.4"W, Franz Tamayo, La Paz, Bolivia, 19–21.VII.2017. Information on collectors and collection number are correct.
