

E. BLANCO-RODRÍGUEZ & J.A. PINEDO-ESCATTEL (2022) Review of the New World genus *Draeculacephala* Ball (Hemiptera: Cicadellidae:Cicadellinae) from Mexico, with description of a new species. *Zootaxa* 5174 (4): 381–394.

We present below an *Errata Corrigendum* for Blanco-Rodríguez & Pinedo-Escatel (2022) in which the captions for Figures 14 to 25 are incorrect and the references to these figures in the text are also incorrect. The corrections are as follows:

***Draeculacephala clypeata* Osborn, 1926**

The correct figure reference for this species (p. 387) is: Figures 20–21

***Draeculacephala soluta* Gibson, 1919**

The correct figure reference for this species (p. 388) is: Figures 22–23

***Draeculacephala navicula* Hamilton**

The correct figure reference for this species (p. 389) is: Figures 24–25

***Draeculacephala mollipes* (Say, 1840)**

The correct figure reference for this species (p. 389) is: Figures 14–15

***Draeculacephala californica* Davison & Frazier 1949**

The correct figure reference for this species (p. 392) is: Figures 16–17

***Draeculacephala minerva* Ball, 1927**

The correct figure reference for this species (p. 392) is: Figures 18–19

The correct caption for the figure plate on page 390 is:

Figure 14–19. Dorsal and lateral habitus of *Draeculacephala* spp. in Mexico; 14–15. *D. mollipes*; 16–17. *D. californica*; 18–19. *D. minerva*.

The correct caption for the figure plate on page 391 is:

Figure 20–25. Dorsal and lateral habitus of *Draeculacephala* spp. in Mexico; 20–21. *D. clypeata*; 22–23. *D. soluta*; 24–25. *D. navicula*.

Acknowledgements

We deeply would like to express our gratitude to Dr. James N. Zahniser for his kind observation regarding this matter.
