(2023) A new species of naked-toed gecko *Cyrtopodion sensu lato* (Squamata:
Sauria: Gekkonidae) from Gujarat, India. *Zootaxa*, 5254 (3), 398–412.**

Cyrtopodion vindhya Patel, Thackeray, Mirza and Vyas, 2023, was described based on three type specimens, comprising a male holotype, BNHS 3130 and two female paratypes, BNHS 3131 and NCBS NRC-AA-0024 (Patel *et al.* 2023). We would like to make a correction to the registration number of the female paratype NCBS NRC-AA-0024. The correct registration number is NCBS NRC-AA-8540.
