

MARIA SALNITSKA, SERGEY SHEYKIN & DARIA SEMERIKOVA (2024)
Description of a new species *Euphantias sergreevae* sp. nov. (Coleoptera:
Staphylinidae: Oxytelinae) from Western Siberia, Russia *Zootaxa* 5406 (2): 288–
296.

The following corrections should be made to our recently published paper describing the new species *Euphantias sergreevae* (Salnitska *et al.*, 2024).

Page 288: title, abstract 1st line;

pages 289, 291, 293, 295: running title;

page 290: 1st line:

Euphantias sergreevae is a repetitive typo which should be corrected to *Euphantias sergreevae*.

Page 290: taxonomy, species name:

the year given after the species name is incorrect *Euphantias sergreevae*, 2023, **sp. nov.** and should be changed to 2024.
