SANTOSH SINGH, NAVNEET SINGH & JAGBIR SINGH KIRTI (2024) A new *Miltochrista* Hübner, [1819] from Western Ghats of India (Lepidoptera: Erebidae: Arctiinae: Lithosiini). *Zootaxa*, 5537 (2): 288–294.

It has come to our attention that there is an error in the abstract of the above-mentioned paper. Specifically, the species name *Miltochrista coonorrensis* S. Singh, N. Singh & Kirti **sp. nov.** (as listed in the abstract) was incorrectly cited with an extra 'r' in 'coonorrensis'. The correct species name is *Miltochrista coonoorensis* S. Singh, N. Singh & Kirti, **sp. nov.**
